WE WOULD LIKE TO WISH ALL OUR READERS A HAPPY AND HEALTHY CHRISTMAS SEASON

St Andrew's School

St. Andrew's pupils and staff are now back from half term and busy planning their Christmas festivities. Children are auditioning for parts in the Christmas Production, a Carol Service is planned for the last week of term, Christmas Lunch booked and a Christmas Shopping night organised by FOSTA for the 21st November.

Endeavour Class would also like to share how they represented the school at the North Lopham War Memorial on Tuesday 11th November 2014. Endeavour reports... 'We took part in a special service to remember and pray to the soldiers that died in the war. Mia Played the trumpet and we had two minutes silence. In the silence we thought about the soldiers that died in the war. We also sang the national anthem and our remembrance song. Each member of our class put a poppy down and help lay the class wreath. At the end of the service we asked questions to veterans about their medals. We listened to the famous story about the plane crash over the Lophams. "I think it is important to remember the soldiers." Hollie. "If we didn't have the soldiers we wouldn't have the same life we have now" Niamh. "They gave their today for our tomorrow" Harry. "We need to remember the soldiers who died for us".'

If you would like further information about St. Andrew's Primary, or wish to make an appointment to visit, please do not hesitate to contact the school on 01379 687253 or by e-mail head@st-andrews-pri.norfolk.sch.uk. We would love to hear from you!

St Andrew's PreSchool

This half term will have all the pre-Christmas preparations and activities leading up to the final exciting days, including seeing the big school Christmas production and our party with a very special visitor!

Our sessions are now all day (8.45-3.15) on Mondays, Wednesdays & Thursdays each week during school term time.

Any new residents with children approaching their 2nd birthday, or a bit older, are warmly invited to get in touch to arrange a visit, with a view to joining us. We offer your child a safe way to make friends with those they may then grow up alongside and can also help them to get to know the "big" school too. Do note that **all** 3 year olds are entitled to 15 hours of free sessions each week.

As always, just drop in, view the setting and meet our team. Please note our new contact number is 07854 091257.

Lophams' Village Hall

Conditions were just about perfect for the **Lophams' Bonfire and Firework Event** on 1st November. A great crowd gathered to enjoy the hog roast, hot dogs and drinks in front of the bonfire, before one of the best firework displays ever. Many thanks go to those who brought such good burnables for the fire and to Jimmy Harris & his team for building it - when the fire finally burned out, it left just an ashy patch. A big vote of thanks goes to everyone who helped in any way, whether out on the field, in the hall, or with the clearing up afterwards.

The Lottery. The October draw marked the end of five years of the Lophams' Village Hall lottery! During that time, over £17,000 has been distributed in prize money and over £9,000 has been applied to the Village Hall Development Fund. Sincere thanks from the hall management committee to all those who have participated, your support has allowed us to make important improvements to the building and its surroundings. Since the building work to improve the facilities for the less able was completed, new blinds have been fitted and the recessed downlighters in the main hall have been replaced with low energy LED units, thanks to Village Green Blinds and Joe Bernard for their efforts. Please remember that our principal purpose is to maintain the fabric of the hall as an attractive venue for the use and benefit of local people and that the proceeds from the Village Hall Lottery are designated entirely for this. If you're not in the lottery, there are still a few free slots if you'd like to join in (ring 01379 687718 for more information or contact Eileen (01379 687608) or any committee member. There are three chances each month of winning a prize, plus a Bonanza draw at the December Farmers' Market for those who have been "in" for at least three months. The Lottery winners for October were: 1st prize £184.00 D Somers; 2nd prizes of £46 - C Watson & P Moralee.

Farmer's Markets are usually on the fourth Saturday each month, from 9am to 12.30pm, but the Christmas Market will be on Sunday 21st December. (Details from Mike on 01379 687235).

Lophams' Ladies

Meeting in the Village Hall on the first Tuesday of the month; 7.15pm for 7.30pm.

In November, Patrick Barker talked on "**Trees and the Law**". An Arborist by profession working for Suffolk Council, Patrick dealt with all problems relating to trees and hedges, mainly where folks property was concerned! He enlightened us by the meaning of Common Law as opposed to Statutory Law; Conservation Areas and Preservation Orders; a most interesting and informative talk.

December 2nd is the date of our **Christmas Lunch**. We are returning to Wortham Tea Rooms and bookings can be made through Sarah on the number below.

January 6th and February 3rd will be afternoon meetings; 2pm in the Hall when talks will be on "**Canals and Waterways**" and "**Buckingham Palace**". We always welcome visitors or new members; phone 01379 687337 for further details.

Garden Club

Meets at Blooms of Bressingham Garden Centre on the first Wednesday of each month at 7.30pm. Visitors and new members are always very welcome.

The subject of our last meeting in November was **The Cornfield Flowers Project** in the North York Moors National Park. Our speaker Ian Carstairs, one of the founders together with botanist Nan Sykes and ecologist Rona Charles, showed slides illustrating how the project works to restore local plants to the countryside, raises awareness amongst the general public of the plight of arable flowers and also encourages farmers to care for plants on their land. Ian told us that we can all do our bit to help by growing wild flowers in our own gardens.

We shall not have our usual meeting in December, but instead are looking forward to our **Christmas Dinner** on Wednesday 3rd December. Tickets are now available and the cost is £15 for members and £17.50 for non-members. Please call 01379 687833 for further information.

We do not have a meeting in January, so our **next meeting is on 4th February** when Claire Simm from the British Trust for Ornithology will talk about **Garden Birds**.

The children from St Andrew's School joined local residents in Church on 7th November for a short service at which Rector Canon Tony Billett installed Revd Wendy in the incumbent's stall. The children sang two unaccompanied songs during the service, and gave Revd Wendy a huge bottle top Poppy picture and a wreath ready for Remembrance Sunday. Revd Wendy

told them a bit about herself, before presenting the weeks certificates and awards and giving the final Blessing.

Family Service was the setting for the Annual **Remembrance Service** in church, led by the Home Team, during which the names of all those from the village who gave their lives in the two World Wars were read, and wreaths were laid in front of the memorial. **Armistice Day** itself - 11th November, was marked by the Annual Ceremony at the village War Memorial at 11am, with the Royal British Legion Standard, veterans and local residents plus the older Juniors from St Andrew's School. They were joined by an Officer from the US Air Force, who read the names of the 18 US airmen who died in a crash over the village in 1945. The children planted poppy crosses and shared in the service, singing a special Remembrance song. Mia Somers played the National Anthem on her trumpet. Even the sun shone in a deep blue sky on the beautifully restored Memorial, so all in all, it was a very special occasion.

The council will receive details of the application in due course. **Highways:** On 24th October Jim Pursehouse met the N.C.C highways engineer concerning the continued escape of water onto the A1066, vehicle damage to the posts by the war memorial, the village sign at the eastern end of the village, the drain outside Weavers, the speed limit sign, the tree at Lime Tree Farm, damaged bridge on Low Common road and improvements outside Pansthorne Farm. Pothole repairs have been carried out on Redgrave Road. Steve Reynolds has drafted a proposal to N.C.C. (supported by our District and County Councillors) for the extension of the 30mph zone on the A1066 at the eastern end of the village. Generally, the council wishes to draw to the attention of all property occupiers and owners their responsibility to trim back overhanging branches and hedges and to keep ditches clear to avoid damage to verges and to allow clear passage wherever possible. **Footpaths:** Rob Webb is working towards keeping our footpaths clear. **Community Speed Watch:** The Chairman raised the question of a Community Speed Watch scheme to be operated in conjunction with North Lopham.
