St Andrew's School

A hectic summer term ended in style, with a Leavers' Service in South Lopham Church. There were presentations to all those leaving – eleven from Y6 going on to High School and a Y5 going to Grammar School.

Headteacher Louise Norgate takes up a new post as Head of Dussindale, a really large Primary school to the East of Norwich. Mrs Norgate was given a picture of a tree, with thumb print leaves by every member of St Andrew's, after various end of term goodbye events with cards and gifts. We wish all our leavers success for the future.

Among the highlights of the last few weeks, the whole school was involved in Our Norfolk, Our Adventure – researching the history & geography of North Lopham, before presenting their findings in displays throughout the village. They spent a day at Bewilderwood, part funded by a sponsored silence organized by the school council, and took part in a Federation musical for the 100th anniversary of Roald Dahl, in which St Andrew's pupils had some impressive singing and acting roles.

During August, Endeavour Class provided a fascinating display about Sikhism at Blo Norton Church's Festival marking 90 years since the death of HH Frederick Duleep Singh.

Mrs Maxine MrGarr will be acting Executive Headteacher of the Federation when the new term begins. We wish her and all those starting school on September 5th, a happy and successful time here. For information about St Andrew's, please contact the school office on 01379 687253.

Lophams' Village Hall

The last few months have been fairly quiet locally.

The Hall Trustees do want to congratulate the sporting stars who use the building or field for their sports activities – all those in the Lophams' Team at the County Village Sports and came a very close second to the winners, and Colin Oates and Jonathan Drane who were selected for the GB Judo squads at the Olympics & Para-Olympics in Rio. Just getting there is amazing, so well done to them both.

The Lottery: It is great to have maintained a full complement of 100 members, with a corresponding monthly first prize of £200, so please get in touch if you would like to join as soon as a new vacancy occurs. Please ring 01379 687718 for more information or contact Eileen (01379 687608) or any committee member. There are three chances each month of winning a prize, plus a Bonanza draw in December. The winners in July were: first prize of £200 – D Derrick; second prizes of £50 – A Wallis and A Bird. In addition to the Lottery draw, there is a monthly raffle with one superb prize, which includes an item from every stall - a wonderful array of goodies for the larder. Carol, from Diss, won this in July.

Lophams' Ladies

Meeting at the Village Hall on the first Tuesday each month, 7pm for 7.30.

Jean Wright came to the August meeting with stunning examples of her own gold-work for us to admire. She showed slides tracing the history of the craft over thousands of years, with equally wonderful designs and including examples of the various threads and techniques used.

On 6th September, Martin Tickler's talk will focus on House Martins – yes, there is a lot to learn about these summer visitors to our homes & gardens.

Visitors and new members are very welcome to come along. For more information about our friendly group, just contact Sarah on 01379 687337

Garden Club

We meet on the first Thursday of each month at 7.30pm in Lophams' Village Hall and visitors and new members are always very welcome.

On 4th August we welcomed Rodney Tibbs to our meeting to give a presentation entitled "Vegetables for Value". Rodney gave us lots of information and tips on how to grow vegetables based on his many years of experience growing them in his own garden and his knowledge and enthusiasm made for a very enjoyable evening.

Our next meeting will be on 1st September when David Boulton will give a presentation "Mushrooms and Fungi" and looking further forward, on 6th October we shall welcome Edward Martin who will talk about "Lost Gardens of Suffolk".

Please telephone 01379 687833 for further details.
